To all Bodybuilding and Physique Sports Athletes

It has come to our attention that an entity called "Singapore Federation of Bodybuilding and Fitness (SFBF)" had recently been incorporated and their activities had caused some confusion amongst some of you.

2 Our Singapore Bodybuilding and Fitness Federation (SBBF) was registered as a society under Societies Act in 1962 and is a member of the World Bodybuilding and Physique Sports Federation (WBPF), the Asian Bodybuilding and Fitness Federation (ABBF), the Commonwealth Bodybuilding Federation (CWBBF), the Southeast Asian Bodybuilding Federation (SEABBF), the Singapore National Olympic Council (SNOC) and People Association (PA). We are also the National Sports Association (NSA) appointed by the Singapore Sports Council (SSC) to be the controlling body in charge of bodybuilding in Singapore. SBBF is also funded by the Singapore Sports Council (SSC). Apart from complying with the regulatory requirements, SBBF is also a signatory to Anti-Doping Singapore (ADS).

3 The Asian Bodybuilding and Fitness Federation is a member of the Olympic Council of Asia (OCA) and OCA only recognizes ABBF as the controlling body for the sport of bodybuilding in Asia. We would therefore like to bring to your attention that all athletes who wish to represent Singapore at major games will have to be national athletes duly selected and approved by Singapore Bodybuilding and Fitness Federation (SBBF).

4 Any organisation and its officials that organise and/or invite athletes to participate in a bodybuilding and/or physique sports competitions in Singapore not sanctioned by the SBBF is deemed to have violated the authority vested in the SBBF by the Registrar of Society (ROS). Similarly, any athletes that participate in such competitions may be subjected to various penalties prescribed in the SBBF Constitution including a life ban. You must therefore make every effort to understand the full impact of any commitment and ensure that it does not negatively impact your desire to continue participating in the sport of bodybuilding and physique sports in and for the Republic of Singapore.

5 It is the desire of the SBBF to provide athletes the opportunities to represent Singapore in prestigious major games and championships such as the Southeast Asian Games, Asian Games, World Games, SEA Championships, Asian Championships and World Championships. The SBBF earnestly wish that bodybuilding and physique sports athletes in Singapore enjoy a glorious international competitive career and not fall prey to any form of commercial or political exploitation.

6 You are welcome to write to us for further information or clarification on the matter mentioned in this letter. SBBF will assist any athlete with legal advices on such matters.

Please be guided accordingly.

Yours-in-Bodybuilding and Physique Sports
