To all Bodybuilding and Physique Sports Athletes

This is to clarify that the Registry of Societies (ROS) did not vest upon and does not have the authority to vest sanctioning powers upon Singapore Bodybuilding and Fitness Federation (SBBF).

SBBF's sanctioning powers are derived from the World Bodybuilding and Physique Sports Federation and executed in line with SBBF's constitution and relevant subsidiary rules in force at that time which may apply.

This is to clarify the earlier circular which reflected this erroneous position. It was a typographical error.

Please contact us if in need of clarifications and be guided accordingly.

Yours in Bodybuilding and Physique Sports
